'86 ECHOES

BOONTON HIGH SCHOOL

BOONTON, NEW JERSEY 07005

For many of us who are seniors, the two most important years of our lives, so far, are 1968, the year we were born and 1986, our high school graduation. With this in mind we would like to compare some of the events of these two years. Going back to '68, we discovered two prominate figures were assassinated. Robert F. Kennedy and Martin Luther King, manned space flight Apollo 8 orbited the moon for the first time, and the Vietnam "Conflict" continued to rage in Southeast Asia. Mexico hosted the '68 Olympics . . . ironically this year Mexico City was devastated by the worst earthquake recorded in modern history, reaching 7.8 on the Richter Scale. Thousands were reported missing or killed.

The first Super Bowl was staged in Miami's Orange Bowl between the Greenbay Packers (33) and the Oakland Raiders (14). The '68 Detroit Tigers were baseball's World Champions when they beat the St. Louis Cardinals 4 games to 3. Last Fall the Cardinals battled the Kansas City Royals in what was designated the I-70 Series. The Cardinals were humiliated in the seventh and decisive game of the series 11-0.

Early October saw the annual "Spirit Week". This week included days set aside for: Hawaiian Day, Class Color Day, '60's/Military Day, Dress Up/ "T" Shirt Day and Red and Black Day. A good percentage of the Students participated however the seniors managed to edge out the rest of the student body. Other events included dances such as the SRA Toga Dance, the revival of the Bon Fire and the National Honor Society Annual Carnation Sale.

The late sixties saw the introduction of Ford's hottest selling model in years, the Mustang . . . Volkswagen's popularity continued and are still seen today. Today's favorites include "Vettes", Jaguars and Porsches.

Kids of the sixties would most likely be found listening to such music as: "Mrs. Robinson" (Simon and Garfunkel) and "Hey Jude" (The Beatles). Today Bruce Springsteen is the favorite and became even more popular after he returned home to NJ for his series of sold-out Meadowland Concerts.

The hungry and the poor were not forgotten, many concerts were performed for their benefit. Thanks to Bob Geldorf of the "Boom Town Rats" the "Live Aid" for Ethiopia and the Farm Aid Concert for the American Farmers helped raise money for these events of global concern.

In 1968, Boonton had its last underclass homecoming queen, Kathleen Hopkins, then a freshman. Last fall homecoming ceremonies were blessed with her presence, the 1984 Queen Leanne Nicholson and Boonton's first homecoming queen Onnolee Allieri crowned in 1961.

Smoking has always been a controversial issue on high school campus'. In 1970, Boonton first designated the covered walk as a smoking area for all student smokers. Since more knowledge of cigarette related cancer incidents and proclaimations by the Surgeon General, Boonton Educators have taken a bold step to eliminate student smoking. The students felt that this new rule was unfair so petitions were circulated but the issue died due to a lack of support.

As our senior year comes to an end we look back onto the past four years of our life. Our first days of high school as freshmen, being afraid of many of the people around us, not knowing who was who. As the year progressed we became more comfortable and began to understand what high school life was going to be like.

Sophomore year began and things became harder. The classes were becoming more difficult — but we all survived and made it through the second year of the dreaded final exams.

Junior year approached, the time to start looking into our future beginning with the taking of the PSAT's. Our class rings arrived not long after, now we felt even more a part of the "Class of 1986". The prom closed out our junior year. Being the first BHS class to hold it at the Headquarters Plaza in Morristown. It turned to be a successful event which was enjoyed by all who attended.

Senior year arrived after what seemed like a long summer. It was now our turn to be the leaders of the school, and at that we did our best. Taking the SAT's soon approached and not far behind was filling out of college applications . . . something we all did with mixed emotions. We now leave BHS and with it the memories both good and bad of our past four years. This was the place that taught us much of what we know and without it we would never be able to continue in life. Thank you BHS, we will never forget YOU!

In Memoriam

Goodbye to you my trusted friend,
We've known each other since we were nine or ten
Together we climbed hills and trees
Learned of love and ABC's
Skinned our hearts and skinned our knees.

Goodbye my friend its sad to die
When all the birds are singing in the sky,
Now that spring is in the air
Little children everywhere, think of me and I'll be there.

We had joy, we had fun, we had seasons in the sun but the hills that we climbed were just seasons out of time.

Goodbye my friend you were the one,
Who gave me love and helped me find the sun,
And every time that I was down you would always come around and get my feet back on the ground.

We had joy, we had fun, we had seasons in the sun, but the wine and the song like the seasons have all gone.

Goodbye my friends its sad to die, when all the birds are singing in the sky, Now that spring is in the air, with the flowers everywhere I wish that we could all be there.

All our lives we had fun, we had seasons in the sun - but the hills that we climbed were just seasons out of time.

New Items Cause Controversy . . .

This year the SRA officers were concerned with continuing old traditions and introduced new ideas and programs. With two students involved in the National and State Student Council Associations, the SRA was always aware of the new ideas that were being discussed around the state and country. The SRA officers represented Boonton High at leadership training conferences, National, State and Regional meetings. NASC Region II representative Robert Keane hosted a meeting with students from Maryland, Pennsylvania, New York, Delaware and Washington, D.C. in the first week of April. State Student Council President David Doty brought an end to his year as president at the 60th Annual State Convention at Trenton State College in January.

SRA President Tina Morasco and Vice-President George Minitaglio were very instrumental in the addition of two machines in the high school that were appreciated by the students; (mixed reactions by the faculty) those being the Coke machine in the SRA office and

the juke box in the cafeteria. Another addition was brought about by the effort of Carrie Dixon, Jennifer Renza and Jill Manson was the digital sign machine in the showcase overlooking the cafeteria. Many announcements can now be made through-out the day to the students and staff alike.

Last fall, in addition to the annual spirit week, homecoming and tail gate picnic, the SRA officers brought back an old tradition, the bonfire. Over 300 students and adults attended the bonfire/pep rally.

The success of any organization is dependent upon the ability to work together. The 1985-86 SRA officers believe that the year's activities, programs and new additions and the spirit and repoire of this year's student council have helped to make the year a successful one.

Band Retains Chapter V Title

Under new director Mr. Jim Christman, the band has come farther than ever expected. Capturing the chapter championship for the fourth consecutive year.

After a successful week at band camp in late August they came back to give their first public performance in the Boonton Labor Day Parade where they received second place for best band front.

Under the field direction of third year drum major Tina Morasco the band competed in six competitions throughout the year. Out of these shows they took two first place trophy's, one second place and one third. They later won the Chapter Championships and continued competing all the way to the Atlantic Coast Championships where they placed eighth overall out of twenty-five bands. Tina Morasco also received a trophy for third place best overall drum major.

This year's field repetoire included "Believe in Yourself": from the Wiz; "All Night Long"; "Serenade to a Picket Fence": the drum solo; and "Rainbow Connection": from the Muppet Movie. Without the help of instructors Mike Cappola (assistant drill design and percussion), Ray Troxell (music and drill design), Ken Weiss (percussion) and Cynthia McConnell and Claire Mahoney (band front instructors) the season would not have been as successful as it was.

The student leaders included: Patti Corcoran: President, Julie Huebsch: Vice-President, Dana Rocco: Treasurer, Jennifer Boynton and Allison Godfrey: Secretaries. Band front leaders were: Liz Ferguson, Trish Parcells, Michelle Huebsch and Tracy Jaenchen.

MARCHING BAND

On October 19, 1985 the twenty-fifth annual homecoming ceremonies were conducted. The finalists from the senior class who stood under threatening skies in anticipation of the student body's decision were: Elisa Bevacqua, Annika Bjornson, Tina Morasco, Laura Pierron, and Kelly Rohr. LeeAnne Nicholson, the 1984 Queen, and Kathleen Hopkins Rothbar, the 1968 Queen anxiously awaited the announcement of who would be the winner. The candidates all held their breaths as they heard the announcement naming TINA MORASCO, the 1986 Homecoming Queen.q1 The finalists for the junior class were: Allison Allieri, Stephanie Giessler, Jill Manson, Kerrie Nicholson, and the winner for the juniors Lisa DeGraw.

The finalists for the sophomore class were: Debbie Baldini, Debbie 0'Conner, and the winner for the sophomore class Corde Bednar.

The finalists for the freshman class were: Allyson Angilly, Sharon DiGiacopo and the winner for the freshmen class was Lisa Hodgson.

Morris County Vocational Technical

The Morris County Vocational-Technical School is for the students who want to enroll and receive training in any of the twenty vocational programs. Twenty-four seniors from Boonton will graduate who have attended Vo-Tech this year.

The Morris County Vo-Tech School district provides a program that will give the student the necessary background to prepare the student to be successful and productive in their particular area of expertise. The goal of the staff is to give the training he/she will need for their employment that they are preparing for.

The vocational program is designed whereby the student spends half the day at Vo-Tech and the other half fulfilling their academic requirements at school.

Work Program Flourishes Under Lefke

The D.E.C.A. Club (Distributive Education Clubs of America) is a Lo-Curricular Activity of the Marketing Education (M.E.) class in B.H.S. taught by the Marketing Education Coordinator Mr. Lawrence E. Lefke.

The purpose of the D.E.C.A. Club is to teach vocational understanding, civic consciousness, social awareness and leadership development.

These purposes are accomplished through various activities including field trips, D.E.C.A. competitions, school and civic projects, exchange programs, guest speakers, and fund raisers.

This year the D.E.C.A. students attended The North Atlantic Region Conference in Boston, November 21 through the 24, The North Region D.E.C.A. competition on June 29, and the State D.E.C.A. competitions, March 20 to the 24.

BBC Rocks BHS For 11th Year

The BBC celebrated it's 11th year of broadcasting this year. The Boonton Broadcasting Club was started on December 9, 1974. The members of the club celebrated the birthday with a "birthday week". During this week there was a trivia contest with prizes and songs highlighted from different years. Once again the top 25 poll was held and a field trip to WLTW was also a success.

The club officers were: Cheryl Strutzel-President; Carla Coutino-Vice President in charge of programming; Misty Quinn-Treasurer; Karen Sinnocchi-Secretary; Lauren Strutzel-Vice President in charge of promotion; John Norvis-Chief Engineer; Chris Lambert-Record Librarian; and Anthony DeFillipos-Historian.

Concert Band/Choir Entertain Local Audiences . . . .

This year the concert band and choir gave many performances beginning with the annual Prelude to Christmas Concert. The choir also gave many outside performances during the holidays which included a concert at Neil's New Yorker for the Boonton Rotary Club.

After much hard work and many fund raisers, both the band and choir took a trip to Canada which proved to be a success. In turn the students from Canada spent four days in Boonton each with different families.

Green Emerges Champs In Sixth Year

The Indoor Soccer Club entered its sixth season under the leadership of senior president Mark Lawrence. Five teams representing the various student classes competed in a season beginning in early December and ran through February. The season was marred by early rule infractions but finished enthusiastically and competitively in the final match in which the Green Team barely defeated the strong senior Tall Boy squad.

The surprise team was the sophomore Yellow Team, led by Bart Zisa, the leagues leading scorer.

The Orange Team, captained by Bill Reifers, had an outstanding season but lost to the Black in the semi-finals.

The most improved team was the Black Tall Boys. After a shakey start, they solidified their defense and utilized their strong offense to earn them a spot in the finals. Bill Paterson was the most highly respected goalie in the league.

In the finals, both Black and Green teams demonstrated early game jitters, but it was the Green, directed by Ian Lewin, who defeated the Black, 3 to 1.

National Honor Society

The members of the National Honor Society possess the qualities of leadership, scholarship, service and character. Through candy sales and donations from alumni the N.H.S. is able to sponsor scholarships for the graduating seniors. The members pride themselves in helping the community and the less fortunate. One example was a fund raiser for the mentally disabled children.

The 1985-1986 officers were David Doty: President; Carrie Dixon: Vice-President; Buddy Farrell-Secretary; and Bob Keane-Treasurer. Advisors were Mrs. Lois Branch and Ms. Susan Krouse.

Computer Club: Paul Tupaczewski, Mrs. Helfrick, Craig Intelisano, Chadd Sepersaude, Samita Thapar, Todd Turner, Virginia Stevens, Kofi Donnelly, Sean Gough, Anita Thapar and Mr. Donnelly.

Language Clubs

This year the Spanish club has forty enthusastic members. The club president Pam Herzo had many new ideas for the club. These actives included a bake sale and such cultural events as dining at the Las Tapas Restaurant in Denville and the Chessman Bistro in Parsippany. The annual visit to a near-by nursing home during the Christmas holiday season was also part of the activities. The second swim picnic outing was held over the summer vacation.

The French Club was one of the largest club organizations with fifty members. The club participated in many activities. This year they had a Halloween and Christmas Party at Poor Henry's in Montville. In the spring the club journeyed to New York's Museum of Modern Art to view the works of French artist Toulouse Latrec, a graphic artist of the early 20th century. They also enjoyed lunch at the Gingerbread Man, a French Restauratn.

The club had one major fund raiser, and many other cultural activities.

The advisor of this year's club was Mr. Palumbo. Club officers for the year were: Atienne Benetiz (President) Lisa DeGraw (Vice-President), Samita Thapar (Secretary), Corde Bednar (SRA Representative) and Matt Turner (Treasurer).

Wampus . . . BHS Newspaper

In 1985 the Wampus Staff grew with many freshmen as new members. Anthony De Felippis became the editor. Under his leadership WAMPUS contained articles which had a wide variety; ranging from satirical advice to controverisal editorials.

Along with Editor Di Felippis (left) are Tom Ackerman, Susan Yachnik and Kevin Sullivan (seated). Many of the staff members are pictured below.

The 1985-86 school year has brought many changes to the high school ski club. As always Mr. Ted Seugling was the club advisor for this activity with help from Mr. Dewar, Mr. Petrein, Mr. Lefke, Mr. Prehodka, and Mrs. Pisano. The officers for the 85-86 ski season were C. Dixon, C. Mitchko, G. White, A. Hurford, and N. Mann.

To mark the first season, the club was divided into two groups. Freshman and Sophomore's went one week and the Seniors and Juniors went the following week. Only one chartered bus was used each time, therefore, reducing the clubs size and cost to individual members.

There were two trips to Vernon Valley for each group. Extra day and night trips were available for members of the club.

A Day In Hollywood . . .

For many years the BHS Drama Club has been putting on successful versions of Broadway and off-Broadway plays. This year is no exception.

The Drama Club did a good job amusing their audiences with their slapstick comedy of the Marx Brothers and their off-Broadway SMASH hit.

This production, actually two separate musicals in two acts, combines the serious renditions of songs of by gone days against the witty antics of the Marx Brothers. The first act entertained the older generation of the Boonton Community in that the student cast gave their all to the music of the past.

In act two the action comes alive as Groucho: Tim Gerds, Harpo: Kerrie Nicholson and Carlo: (Greg Renza) sought the favors of Mrs. Pavlenko: (Allison Godfrey) in a hilarious love triangle. The high jinx of the trio kept the audiences in stitches. The dance routines ran the gamit of tap to tango.

This was the last in a series of musicals directed by Mr. Joseph Szabo.

CARE BEARS GIVE RED 3 IN A ROW

For the third consecutive year, the Red Team has achieved another thrilling victory.

Overall captains Lee Anne Nicholson and Jill Grenevich led the Red Team with co-captain Tina Morascso in their journey through mysterious places and whimsical lands in the story of the Care Bears. We first find the Care Bears tumbling in Care-A-Lot with captains Elisa Bevacqua and Theresa Giblock. They are faced with the decision of whether or not to help Laura: Vivian Boswell, find Karen: Tina Morasco who had run away. Tap led by captains Dana Rocco and Amy Aquaro showed the vote. Karen got lost in an abandoned, disgusting park. She saw rats which brought in flashlights, captains Rachel Darrow, and Kerrie Nicholson. This event won best overall for the Red Team. Townspeople helped the Care Bears clean up the park in Modern with captains Chris Mitchko, and Carol Tasso. Professor Coldheart's slaves capture Karen which brings in calasthenics, captains Tina Morasco and Vivian Boswell. All of the Care Bears free the slaves of being zombies, by doing the Care Bear stare on Professor Coldheart. The story ends with a celebration for finding Karen and the entire team joins in the finale.

The Black Team took a trip to Fantasy Island in last years presentation. Overall captains for the Black Team were Lisa Yoder and Marissa Diello, with co-captain Kathy Ramiza.

As monkeys, tumbling and apparatus, led by Kathy Ramiza and Carrie Spender danced in excitement awaiting the arrival of the plane. Flags with captains Kristen rigg and Denise Rockis, landed the guests Maria (Lisa Yoder), and Roland Banks. They were greeted by Mr. Roher (Allison Allieri), Tatoo (Claudia Berrio), and the monkey (Carrie Spender) as his sidekick. Pompons as hula dancers, led by Angela Aspras, and Allison Webber, said "HELLO" and welcomed the guests to the island. Tap captains Michelle Vanderhoff, Christine Murray and Angela Laslandra were vacationers. Modern, voted best overall, was the fullfillment of Maria's fantasy, led by captains Noelle Mann, Jill Manson, and Annika Bjornson. Maria's fantasy was to reunite the Jets and Sharks as friends. The time came for Roland's fantasy of being Stevie Wonder as he sang "I just called to say I love you."

Last year's show was dedicated in memorial of Stacy Stamiatides, who was one of 1984's Black Teams overall captains.

7-2 SEASON BEST IN FIFTY YEARS
DETERMINATION - DEDICATION - PRIDE

(Top) Rick Larsen, Norman Russo, Joe Giardina
(Right) Anders Bjornson and Dave Kostka

The 1985 Football season was one of the best Boonton had in fifty years. Coach Jack Francis led a strong squad of seniors to a successful 7-2 season. The experience and enthusiasm of the players was a large factor in the winning season.

Senior quarterback Joe Giardina completed 74 passes (1150 yards) to an experienced group of receivers including Howie Hubler, Mike Walsh, David Kostka and Tony Frederico. Tony led all receivers with 26 catches. Another strong part of Boonton's offense was the punch provided by senior running backs Rod Roller and Norman Russo. Norm led the team in rushing with 785 yards. This offense was led by an experienced offensive line consisting of Dave Kostka, Joe Scerbo, Bob Mariani, John Makfinsky, Mike Stager and Brian Lyman.

The defense was hard hitting and one of the most respected in the area. It was engineered by linebacker captains Ricky Larsen and Bob Mariani and monster back Artie Demarsico. Larsen led the team in tackling with 105 tackles while Demarsico registered 71. Others who played an important part in the success of the defense were seniors: Joe Giardina and David Xenitelis, juniors: the "Twin Towers" Chris and Bob Venturini, Joe Cannizaro, Mike Mobley, Howie Hubler and the lone sophomore Anders Bjornson. The defensive squad kept the Bombers in many of their wins strong efforts were recorded in games against Randolph, Morris Hills, Roxbury and Mendham.

Boonton suffered two losses in their first three games, losing to strong Dover and West Morris teams. Two impressive victories were posted over state ranked Rox-

bury and Mt. Olive on Thanksgiving Day. This closed out the season with an impressive six game winning streak.

The three captains were recognized for their great achievements. Giardina was chosen to the DAILY RECORD All Area Team and also made the All-State Team. Bob Mariani and Ricky Larsen were also picked to the All Area squad for their outstanding play throughout the season.

Coach Jack Francis was named: 'COACH of the YEAR' by his peers, the Morris County Coaches Association then again by the DAILY RECORD All Area Sportswriters Poll.

Boonton Gets Kick At States . . .

If one could describe the Boonton varsity soccer season it would be defense. The team allowed fewer goals (22) than any previous soccer team, and were competitive in every game during the regular season. For their efforts, the players were rewarded with berths in both the County and State Soccer Tournaments.

Leading the defense, was four year letter winner and team captain, John Miele. In 1985, John was selected First Team Goalie on every area All-Star Team, culminating with him being chosen to the First Team of all Group 2 schools in the State of New Jersey. Never before has any Boonton soccer player received such recognition. Of his record setting seven shut-outs his most memorable in 1985 was the 0-0 tie with conference power Mendham.

Seniors Geoff White, Rick Pyontek, Bob Keane, Mike Kerr with help from Junior Peper Hinze, not only solified the defense but also fed the offense, led by leading scorer, Ian Lewin. Ian received All-State Honorable Mention and, along with Geoff, was recognized on every area post season team.

Offensively, Senior Bill Reiffers, along with Juniors Jack London, Mark Mearin, Larry Fagan and Sophomore stand-out Dave Plante helped punch in goals, deciding those constant "close games." An early season injury to Junior Audie Manlangit, set the team back offensively, but Shannon Henschell and Seniors Juan Yanez, Hai Nguyen and Eric Fatovic helped balance the midfield. In the highly competitive Iron-Hills soccer conference the team finished with a respectable 6-8-4 record.

Field Hockey

A Record Breaking Season

With the support and encouragement of coach Linda Cross and assistant Bernadette Melberger, the 1985 Field Hockey team accomplished many unexpected yet deserved goals. Not only did this year's team had a winning record of 11-5-1 but the team also qualified for the Morris County Field Hockey tournament and the New Jersey State tournament.

Led by the co-captains Carrie Dixon, Becky Smith, Atienne Benitez and Linda Fengya the field hockey teams hard work and determination paid off. This determination, not only showed in the team statistics but also in school records, many of which were broken. As a team, more games were won in the 1985 season than in all previous seasons combined. Also more goals were scored this season. Personal bests were recorded by sophomore Jen Renza, who scored 10 out of the record 32 goals, senior Nicole Bonnani, who had the most "tackles"

and interceptions, senior goalie Becky Smith who was selected for the Daily Record All Area Team Honorable Mention, and senior Linda Fengya, who was selected for the Coaches All County First Team, Daily Record All Area Second Team, and All State: Section II Group II - Second Team.

Although it is not evident in the school records, other members of the team contributed greatly to the successful season. The defense led by Kim Platt, Jennifer Trevethan, Carrie Dixon, Shelley Hill, Annika Hurford and Noreen Rocco helped goalies Kim Pisarcik and Becky Smith have a record breaking number of shut outs. Nicole Bonanni, backed up the offense which consisted of Atienne Benetiz, Danielle Tracy, Bridget Narcise, Karen Sinocchi, Linda Fengya and Jennifer Renza.

The Third Annual Field Hockey Banquet ended this successful season during which there were many enjoyable practices. These practices included the annual early morning pajama practice led by the four co-captains.

Boonton High's field hockey has a bright future ahead of them, shown by last years J.V. final record of 10-2.

The 1985 Cross Country season was a big success. The squad led by Senior Captains Dave Tlack, and Tommy Ackerman with a 5-7 record. The boys squad lost 4 meets by a total of 10 points, with a little racing luck they could have easily had a winning season. The highlight of the boys season was in the State's Sectional Championship meet. They placed fifth overall and qualified to go on to the State Championships. Once again Dave Tlack led the Bombers with a fifth place finish.

The girls team was led by Senior Captains Sam Liberatore and Andrea Forte. Their record was 7-4. The girls team proved once again that they were one of the best Group II schools in the state, when they finished second in the State Sectional Championships. Most of the girls ran the best race of their season in that race. Sam Liberatore led the Bombers with an impressive third place finish in the State Sectionals.

In the final coaches poll of area Cross Country teams, the girls were once again ranked in the top ten. Post season awards went to Dave Tlack and Tom Ackerman named to the all coaches team honorable mention. They were also named to other newspaper All-Star teams.

Captain Sam Liberatore received the most recognition due to her fine season. The most consistent girl on the Cross Country team highlighted her season with a sixth place finish in the very competitive Morris County championships, and an impressive third place finish in the State Sectionals. She was named to the coaches All-Star team, First Team and also on a number of newspaper All-Star teams.

The girls and boys are looking foward to successful season next year, with a mix of experience, talent, and enthusiam.

Frosh Mayhood Shatters Vault Record

This year's gymnastics team had one of the highest scoring seasons in a long time. Many of the team's goals were achieved. The squad took fourth place in the county meet, reached a team total of 94 points and four girls qualified for the North II Sectional Meet. The final season's record was a respectable 7 wins and 6 losses.

Congratulations to the varsity team for an outstanding and successful record. The following gymnasts were qualified for the North II Sectional Meet: Elisa Bevacqua, Carrie Spender, Kristie Boswell and Malinda Mayhood.

Special recognition should go to freshman Malinda Mayhood who broke the long standing school record on vaulting with a 9.0, then broke her own record later in the season with a 9.1. She also broke the school record on the balance beam with a 8.95 and also broke the all around record with a 35.2. Malinda also captured the third place ribbon in the county meet with a floor performance of 8.95, vaulting 9.1 and all around with 34 points.

Congratulations to the J.V. team on winning their meet against Montville.

The varsity team thanks the J.V. team and assistant coach Mrs. Pascarella for their help and support and also managers Kim Cerillo and Deanna Diorio.

The varsity letter winners were: Elisa Bevacqua, Kathy Ramiza, Khristie Boswell, Theresa Giblock, Toni Durino, Kerrie Nicholson, Carrie Spender and Malinda Mayhood.

The season's record was very disappointing to the entire team however, they knew that it was going to be a tough season. Most of the girls were playing much more competitively this year. Noelle Mann, first singles, improved as the season progressed, both girls played excellent

matches but couldn't turn them into victories.

At third singles Lisa Canaura did an excellent job filling in for Andrea Marrone. Andrea was unable to complete the season because of illness. Debbie Nexon did a nice job filling in for Lisa when she got sick.

On-The-Job Training For Bomber Squad

Boonton's youngest team ever struggled to overcome its inexperience and absence of seniors to achieve eight victories in twenty-two contests.

The girls captured the championship trophy at the Mother Seton High School Christmas Tournament. In the season's most stunning upset, the girls shocked Morris Counties only undefeated team, Mendham.

Co-captains for this squad were juniors Allison Allieri and Amy Aquaro.

Exciting Basketball

The boys' varsity basketball team ended the 1985-86 campaign with a record of eight wins, thirteen losses. However, this year's team played the most exciting basketball for Boonton in the past ten years. In nineteen of the twenty-one games, the teams were separated by six or less points half way through the fourth quarter. Seven of the team's losses were by four or less points; two coming at the buzzer.

Highlights of the season were: a one point victory at West Morris on a jump shot by Tony Frederico with 2 seconds remaining in the game: . . . overcoming a sixteen point halftime deficit to beat Dover by 4 points: . . . and Walter Gibson pouring in 38 points at Caldwell in an 82-74 victory.

The team and coaching staff would like to thank the fans who supported the boy's basketball efforts.

Injuries Mar Promising Season

The 1985-86 wrestling season started out in fine fashion, by placing second at Butler's Christmas Tournament. Boonton had three champions: Jim Hardin (115), Guy McKenzie (135), and Norman Russo (188) and four second place winners: Al Gymoty (129), Co-Captains David Doty (148) and Rodney Roller (170) and Heavyweight Joe Cannizzaro. The success continued in the dual meets as the squad defeated West Orange and arch-rival DePaul before injuries struck the team. At one point during the season, each varsity member missed at least one match, except for three wrestlers: Paul Loiacono (101), Rodney Roller (170) and Joe Cannizzaro (188). The Bombers were forced to use inexperienced wrestlers.

There were many positive highlights during the season. In the First Annual Morris County Tournament, the team finished tenth out of the twenty-three teams entered. David Doty was the 148 pound Morris county Champion, and Rodney Roller was runner-up in his weight class.

The Bombers won their last four consecutive matches, culminating with a dramatic victory over Madison 35-24.

In the District Nine Tournament, the Bombers had five place winners. David Doty, Guy McKenzie and Joe Cannizzaro all took fourth place, and Jim Hardin and Rodney Roller each placed second

and qualified for the Region Three Tournament. Roller finished third making him eligible to compete in the prestigious State Tournament.

This year's line-up also included: Brian Pisarcik (158), Tim Taylor (141) Kemal Andican (158), James Guilshan (122), Pat Narcise (129), Steven Roon (129) and Tom McDonald (108).

WINNING TRADITION RETURNS

The 1985 Lacrosse season was more successful than expected. Two goals of the season were achieved when the team made it to the state playoffs and a winning percentage recorded. A third goal of winning the Fitch League title was not attained.

The team grew into a winner as the season went on; experiencing an early loosing streak and regrouping to gain the winning record and get into the states.

The offensive leaders on attack were seniors Jim Shaver and Steve Parsons; juniors Joe Giardina and Mike Walsh; while sophomores Tony Frederico and Audie Manlan-

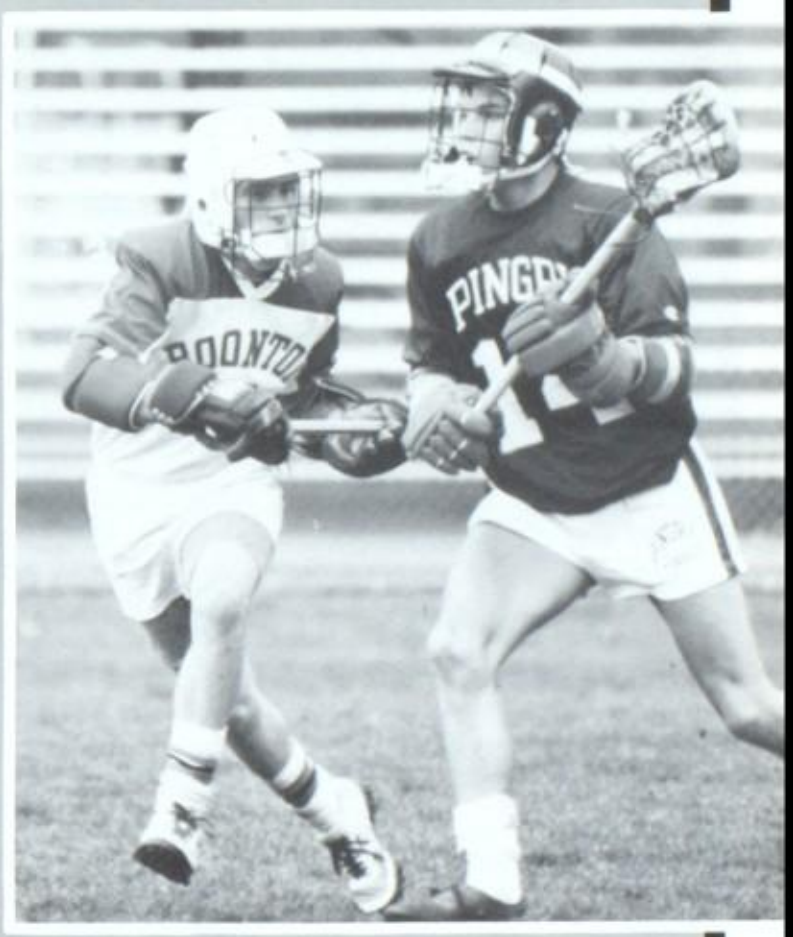
git filled the gap many times. Senior middies Lino Bevacqua, Tom DuBarry, Joe King, Peter Franklin and Steve Reed were assisted by John Miele, Joe Petrone and Art DeMarsico who were strong on defense and adequate on offense. Giardina led the attack with 27 points and Joe Petrone was the team leader with 32 points.

The defensive starting group consisted of Dave Kostka, Mike Krok and Mark Lawrence and able subs Greg Renza and Scott VanDuyne were more than a match for the opponents. They and long stick middies Kevin Freehill, Bob Keane and John Makfinsky gave goalies Rich Larson and Jim Schwartz ample protection. The two goalies were outstanding in and out of the goal. Clearing to the offense was the best in many years.



Our senior goalie Jim Schwartz and junior middie Joe Petrone were selected to the second All-State Team and Jim and Mike Krok were chosen to the North Squad in the annual All-Star classic.

Lady Bombers Catch Fire Second Half

The varsity softball team finished the season with an 8-13 record. Many positive events highlighted the season. After getting off to a slow start, the ladies caught fire mid-season winning six of seven games. In that stretch, the girls defeated Dover, Montville and Mt. Lakes; all three teams were county or state ranked at the time. A major part of the turn around was due to sophomore Wendy Perrone. Wendy, brought up from the JV team won five consecutively before suffering a loss.

Michelle Vanderyajt led the team in batting with a .321 average and

The two captains, Nancy Connerton and Lisa Smitka, did a superb job in keeping the girls motivated even when times got rough.

Even though eight seniors were lost to graduation, Coach Zavala feels optimistic about the 1986 season. The Bombers anticipate strong performances from Wendy Perrone, Nicole Schlenger and Nikki Bonnani.

Lisa Flormann, Chrissy Sutter and Judy Blowers and a quartet of sophomore players are expected to lead the Bombers.

The '85 baseball team faced rebuilding and regrouping having graduated eleven seniors from the 1984 squad. A team which qualified for both the county and state tournaments. The inexperienced Bombers learned many new techniques on both offense and defense and practiced fundamentals. Hard work and enthusiasm continued to be the heart and soul of the team, however lack of experience proved to be the toughest.

All in all, the 1985 season was productive for many players. Ed Duderich hit 400 and led the team in runs batted in. Greg Huebschner was second in hitting, and led the team in runs scored. Pete Scheer and Ken Stevens tied for the lead in fielding percentage.

With ten returning veterans in 1986, the Bombers look to return to tournament form. Mike Kerr and Rich Rivera will be returning workhorses on the mound. Sophomores Greg Heubscher and Pat Ferraro will be returning at the center field and short stop positions respectively. The catching chores will be divided among David Doty, Brian Pisarcik and Bob Venturini.

The team has a solid nucleus. If pitching holds up and hitting is timely and consistent, Coach Questa feels that the 1986 Boonton baseball team will be in contention with the Iron Hills Conference leaders.

The 1985 spring tennis team began their campaign by making a determined effort for a worthy cause. Dedicating their season to David Levin, former Boonton basketball player killed in an auto accident. The young squad posted a season record of 6-12-1, not as good as hoped for, but a gallant effort.

Individual moments of brilliance showed during the season. Captain Kevin Cuozzo made an all out effort in his victory in the Montville match. Refat Ata determined to win, made a team victory over Mendam possible and Derek Beal's come from behind showing at Randolph. Junior Chris Lynch posted the best individual record for the team with 13-6. Freshman Ken Gillooley demonstrated his potential for years to come by posting a 9-9 first year effort.

Coaches for the season were Mr. Robert Fosket (Guidance-John Hill) and Mr. Glen Moore (Physical Education-Retired).

Twelve New Records

The '85 spring track season at Boonton was unique. It marked the first winning season for both girls (5-4) and boys (6-3). The girls' last winning season was 1980, the boys' 1971.

In the seven years since the metric measurement has been used, '85 athletes recorded the largest number of new records. The senior co-captain Roland Banks established new records for most points scored in one year at 219, lowered the 100m to :11.1, the 200m to :22.7 and the 400m to :50.4. Junior Clive Binns posted a new 110m high hurdle mark of :15.8 and tied the 400m hurdle standard set by Ken Jones in 1982 of :58.6. Sophomore Tom Ackerman lowered the 3200m record to 10:14.4.

The girls' squad performed equally as well, breaking seven records. Sophomore Margaret Judkins and senior Vicki Scozzafava each posted two record performances. Margaret ran to new 100m (:12.7) and 200m (:27.1) records. Vicki's efforts in the 1600m (5:25.7) and 3200m (11:34.6) were also record breaking performances. Senior Noreen Cassidy ran to a new 800m mark of 2:25.6. Senior Christine Roberts

THE CLASS OF EIGHTY-SEVEN

The Class of 1987 began their junior year with great enthusiasm. Knowing they had only two years left at BHS they united to make their junior year a memorable one.

They kicked off the year with a successful magazine sale and raised money to be used for various activities. One of the more original ideas the junior class had was the MORP dance. The MORP (Prom backwards) was an "unusual" affair which included an ice cream eating contest (no spoons) and for added effect, a clothesline with old clothes was used as decoration.

Once again, many groups participated in the Annual Tail Gate Picnic, but the junior's showed their unique style by using a red Corvette to enrich their classes display of food.

Their Winter Holiday fun included a Junior Senior Dinner Dance with the theme "An Animated Holiday". The decorations consisted of large cartoon characters drawn and painted by junior and senior students. A good time was had by all.

The Junior Senior Annual Prom given by the junior class held many memories for all who attended as usual all proved to be a special occasion.

THE CLASS OF NINETEEN EIGHTY NINE

B. Ackerman A. Angilly M. Aquare

The Class of 1989 was made up of approximately 228 Freshmen, coming from Lincoln Park, Boonton Township, and Boonton. Freshman Night was a tremendous success. They met many new people with whom they will spend their High School years with.

The results of the class election was President: Allyson Angilly, Vice-President: Melinda Mayhood, Secretary: Danielle Tracy and Treasurer: Sharon DiGiacopo.

The first major event was a magazine drive in which they raised money for use in the future activities.

The Freshmen class advisor is Mrs. Laura Bucco.
